

Introduction

Due to the current COVID-19 pandemic there have been restrictions that result in less people going outside. Although this is disadvantageous for most businesses one can hypothesise that when the COVID-19 issue is resolved there will most probably be an upsurge of people leaving their homes to go outside. A billiards cafe is a great way for friends and family to interact while having fun. The aim of this project is to be able to find a suitable location to open a billiards cafe in Riyadh, Saudi Arabia to take advantage of the aforementioned speculation.
